No: 70/21

The Embassy of Sweden in Hanoi presents its compliments to the Consular Department of the Ministry of Foreign Affairs of the Socialist Republic of Vietnam and has the honour to send attached herewith a specimen of vaccination certificate for the SARS-COV-2 virus, issued by Sweden. This is a standardised EU – format.

The Embassy of Sweden kindly requests the Consular Department to disseminate this certificate to relevant Vietnamese authorities to facilitate Swedish citizens, who have fully been vaccinated with the vaccines approved by the European Medical Agency (EMA), entering Vietnam.

The Embassy confirms that Sweden is party to the European Union Digital COVID Certificate (EUDCC) Regulation, which entered into force on 1 July 2021. This regulation ensures consistency and mutual recognition of Digital Covid Certificates across the European Union. Information regarding the certificate, fields displayed, technical requirements, anti-fraud measures, authentication and anti-counterfeiting was provided by the Delegation of the European Union to your esteemed Department on 12 July 2021.

The Embassy of Sweden avails itself of this opportunity to renew to the Consular Department of the Ministry of Foreign Affairs of the Socialist Republic of Vietnam the assurances of its highest consideration.

Hanoi, 12 August 2021

Innehavare av godkännande för försäljning eller tillverkare av vaccin

Date of vaccination, indicating the date of the latest dose received

2021-07-12

Datum för senaste vaccination

This certificate is not a travel document. The scientific evidence on COVID-19 vaccination, testing and recovery continues to evolve, also in view of new variants of concern of the virus. Before travelling, please check the applicable public health measures and related restrictions applied at the point of destination.

Det här beviset är ingen resehandling. De vetenskapliga rönen om covid-19, vaccinering, testning och tillfrisknande fortsätter att utvecklas, bland annat på grund av att det dyker upp nya virusvarianter. Ta reda på vilka folkhälsoåtgärder och restriktioner som gäller på destinationsorten innan du reser.
